

# FOAM FREE

## AGRICULTURAL FOAM CONTROL

FOAM FREE is an effective high grade silicone anti-foaming agent, found to be very effective in reducing or eliminating foam in most agricultural spray equipment.

## PRINCIPAL FUNCTIONING AGENT

Dimethylpolysiloxane ..... 10%

## CONSTITUENTS INEFFECTIVE AS A

SPRAY ADJUVANT..... 90%

TOTAL ..... 100%

## STOP - READ LABEL BEFORE USING.

KEEP OUT OF REACH OF CHILDREN

**CAUTION**

## DIRECTIONS FOR USE

Shake well before using. Add DE-FOAMER to spray liquid before foam starts to appear. This gives the best foam control. If foam has already started to build, add FOAM FREE directly to the foam. The use of 1 to 4 ounces of FOAM FREE per 100 gallons of spray mixture is generally sufficient to suppress or eliminate foam from most conventional spray tanks. Agitation will aid dispersion.

## NOTICE

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal

conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such use.
