

LAY-DOWN

PRINCIPAL FUNCTIONING AGENTS:

Poly-Acrylamide Polymer	27.62%
Non-Ionic Surfactant	8.70%
Inert	63.68%
TOTAL	100.0%

CAUTION
KEEP OUT OF REACH
OF CHILDREN

GENERAL INFORMATION

LAY-DOWN spray drift suppressant is a blend of Polyacrylamides and non-ionic surfactants which possess excellent sticking characteristics. LAY-DOWN can be used with most agricultural herbicides, fungicides, desiccants, and others in both aerial and ground applications. LAY-DOWN will improve deposition of pesticides in the target swath and can retard, but not totally eliminate drift. **ADVANTAGES:** Reduces misting of sprays; More uniform droplet size; Reduces crop burn; Reduces spray drift; Reduces vortex effect on spray pattern. Decreases evaporation of chemical spray solution by 30% to 40%, has excellent lubrication of nozzles, and has good adherence to plant leaves.

DIRECTIONS FOR USE

Insecticides and Fungicides: Use a minimum of 1 qt. LAY-DOWN per 100 gallons spray solution.

Herbicides: Use a minimum of 2 qts. LAY-DOWN per 100 gallons spray solution.

STORAGE AND DISPOSAL

Store in cool, dry place. Store in original container. Keep container tightly closed. Do not reuse empty container. Triple rinse, then offer for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state and federal regulations.

PHYSICAL OR CHEMICAL HAZARDS

Do not use, pour, spill or store near heat or open flame. Use adequate ventilation when handling.

CAUTION

STOP - READ LABEL BEFORE USING. Harmful if swallowed. If ingested, induce vomiting and call a physician at once. May cause eye irritation. Avoid contact with eyes. In case of contact, flush eyes with water for at least 15 minutes and seek medical attention. Avoid contact with skin. Wash hands after using. Avoid breathing spray mist. Do not store near feed or food products. Keep children and domestic animals off treated areas until this material has been washed into the soil.

NOTICE

Manufacturer warrants that LAY-DOWN conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty or any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. Buyer assumes all risk if LAY-DOWN is used in any manner or under any condition other than those specifically set forth on the label.

Manufactured for:

Chem Star Agri Products, Inc.
P. O. Box 578
Parma, MO 63870

Lot Number:

NET CONTENTS:

- 2 x 2.5 Gal.
- 4 x 1 Gal.

TOTAL WEIGHT: 9.2 lbs/gal.
